

BELLABOO'S BIRTHDAY BASH

Bellaboo's is a Children's Play and Discovery Center designed for children age 9 and younger. Our mission is to provide a safe environment that fosters imagination and creativity in children through PLAY. At Bellaboo's we feature a different theme with different stories, songs and art projects each week so even if you visited recently, there is always something new.

At Bellaboo's, we consider it a privilege to be a part of such wonderful moments like birthdays. We love making birthday parties extra special for children and their families. We work really hard at creating the best birthday party experience around. A Bellaboo's Birthday Party is **FUN** for the children, **EASY** for the parents and **ENJOYABLE** for everyone.

The party starts with Play Planners checking in guests while collecting presents. Everyone in your party will receive a wristband for safety. Then your very own **BELLABOO BIRTHDAY BUDDY** will guide party guests through some of Bellaboo's many different areas of play with a special stop in our Children's Art Studio so guests can make a personalized **GIFT** for the birthday child.

After the guided play, your little one will be the grand marshal of a **BELLABOO'S BIRTHDAY PARADE**, leading everyone to the private party room for pizza, cupcakes and drinks. Don't worry grown-ups, we've got it covered – set-up, clean-up and everything in between. (Plates, cups, napkins, candles...we have all that too!)

The **FUN** isn't over after singing and presents. The birthday child will pass out Bellaboo goodie bags. (One for each child included in the package and the birthday child too!). Then guests will leave the party room mess behind and can head home or back out to play some more. Guests are free to stay until we close Bellaboo's that day.

Bring your child for their birthday and make it a yearly tradition. If you have any questions or to book a party call 219.963.2070 and a Bellaboo's Play Planner will be happy to help!!!
